RE: *Washington Utilities and Transportation Commission v. Pacific Power & Light Company*, Dockets UE-140762 and UE-140617 (Consolidated)

TO THE PARTIES:

On May 1, 2014, Pacific Power & Light Company (PacifiCorp) filed with the Washington Utilities and Transportation Commission (Commission) revisions to its currently effective Tariff WN U-75 that would reflect an increase in revenues resulting in an overall price change of 8.5 percent, or \$27.2 million, as well as seeking amortization over one year of 1.5 percent, or \$4.9 million, related to deferrals for an outage at Unit 4 of the Colstrip generating plant, low hydro conditions, and depreciation.

On June 10, 2014, the Commission entered Order 04 – Prehearing Conference Order; Notice of Hearing (Order 04) in the above proceeding. In Order 04, the Commission stated that the time and place for public comment hearings would be determined at a later date. The Commission now establishes the time and place for public comment hearings to provide members of the public with an opportunity to present oral comments to the Commission. The Commission will accept written comments until the record in this proceeding is closed.

NOTICE IS HEREBY GIVEN That a public hearing in this matter will be held on Thursday, September 25, 2014, from 6:00 p.m. to 7:30 p.m., in the Yakima City Council Chambers, 129 N. 2nd Street, Yakima, Washington. The Commission will begin taking comments from members of the public at 6:00 p.m., ending no later than 7:30 p.m.
