AWEC does not request paper service, unless required by WUTC rules or law. If permitted by the presiding officer, AWEC also requests that electronic service be provided to the following:

Jesse O. Gorsuch  
jog@dvclaw.com  
Paralegal for DVC

The administrative rules at issue are WAC § 480-07-340, -355.

AWEC is an incorporated, non-profit association of large energy consumers in the Pacific Northwest. AWEC represents some of Avista Corporation’s (“Avista” or the “Company”) largest customers.

On January 21, 2022, the Company filed its proposed Two-Year Rate Plan, with new base rates effective December 2022 for Rate Year 1 and December 2023 for Rate Year 2. For Rate Year 1, the Company proposes an electric rate increase of $52.9 million, or 9.6%, and a natural gas rate increase of $10.9 million, or 9.5%, to be offset by a “Residual Tax Customer Credit,” resulting in a net increase of 7.4% for electric operations and 2.5% for gas operations. For Rate Year 2, Avista proposes an increase of $17.1 million, or 2.8%, for electric rates and $2.2 million, or 1.7%, for natural gas rates. The Company’s proposed rate changes would substantially and directly affect those of AWEC’s members who purchase electricity and natural gas.
gas services from Avista. AWEC therefore requests leave to intervene in this docket to represent
and take positions on behalf of its members who are affected by Avista’s proposed rate increases.

AWEC has extensive experience in proceedings before the Commission involving Avista. AWEC participated in the Company’s last two general rate cases, UE-200900/UG-200901 and UE-190334/UG-190335, and has been a party in many prior Company rate proceedings over the past decades, either under its own name or through its predecessor organizations the Industrial Customers of Northwest Utilities and the Northwest Industrial Gas Users. AWEC’s intervention in this proceeding will assist the Commission in resolving issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

As described above, AWEC has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and AWEC may be affected by any Commission determination connected with this proceeding. Thus, it is in the public interest to allow AWEC to intervene in this proceeding.

WHEREFORE, AWEC respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 4th day of February, 2022.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
