**NOTICE VACATING SCHEDULE;  
SCHEDULING STATUS CONFERENCE  
(Set for Monday, December 27, 2004 at 9:30 a.m.)**

Re: Washington Utilities and Transportation Company v. T&T Recovery, Inc.,  
Docket No. TG-041481

TO ALL PARTIES:

The Commission has scheduled a show cause and hearing for December 1 and 2, 2004 to determine whether T&T Recovery, Inc. is transporting solid waste for collection or disposal without a certificate of public convenience and necessity as required by RCW 81.77.040. Commission Staff is participating in the proceeding and several carriers have filed petitions to intervene: Sanitary Service Company, Inc., Washington Refuse and Recycling Association, and Island Disposal, Inc.

On November 24, 2004, Commission Staff filed a notice of settlement negotiations and a motion to continue the hearing while negotiations were taking place.

The Commission encourages resolution of contested matters by settlement. It appears from Staff's filing that settlement negotiations are taking place to resolve this matter. There is good cause to continue this proceeding for a limited period of time while those negotiations are taking place.

**NOTICE IS GIVEN That the current schedule calling for hearing on December 1-2, 2004 is vacated. A status conference is now scheduled for December 27, 2004 in the Commission's hearing room, 2<sup>nd</sup> Floor, Chandler Plaza Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington.**

Sincerely,

THEODORA M. MACE
