- 1     Administrative Law Judge Adam E. Torem entered Initial Order 01 in this docket on April 2, 2008.
  
- 2     No party petitioned for administrative review of the initial order or received an extension of time to file such a petition, and the Washington Utilities and Transportation Commission (Commission) did not give notice of its intention to review the order on its own motion, within the time for filing petitions for administrative review.
  
- 3     Therefore, under RCW 80.01.060(3), the order became final on April 23, 2008, by operation of law.
  
- 4     In allowing this order to become final, the Commission does not endorse the order's reasoning and conclusions. If cited in the future, the order must be identified as an Administrative Law Judge's order.

Sincerely,

CAROLE J. WASHBURN  
Executive Secretary
