RE: Docket TG-080868 Replacement Pages and Petition for LSN

Dear Mr. Danner:

Enclosed are replacement tariff pages for Docket TG-080868 filed at staff request. We also wish to withdraw the following pages:

1st Revised Page No. 33
3rd Revised Page No. 40
3rd Revised Page No. 41
3rd Revised Page No. 42
2nd Revised Page No. 43
2nd Revised Page No. 44

The company is petitioning the commission for an exemption to WAC 480-70-271 (customer notice requirements) to allow staff recommended revised yard waste rates to go into effect on less than statutory notice per WAC 480-70-276. The revised yard waste rates are higher than we originally proposed. We request less than statutory notice to allow our company to begin recovering the revenue that we have demonstrated we need.

If you have any questions please call me at (425) 646-2426.

Sincerely,

Joseph Garza
