Application of Murrey's Disposal Company, Inc., d/b/a Olympic Disposal for an Extension of Certificate No. G-9 for a Certificate of Public Convenience and Necessity to Operate Motor Vehicles in Furnishing Solid Waste Collection Service, Docket TG-091019 (Consolidated)

TO ALL PARTIES:

Docket TG-091019, Murrey's Disposal Company, Inc., d/b/a Olympic Disposal, filed with the Washington Utilities and Transportation Commission (Commission), is an application for extension of authority under its existing Certificate No. G-9 for authority to provide solid waste collection service in a portion of Section 12, T27N R10W in Jefferson County. West Waste & Recycling, Inc. (West Waste & Recycling), filed a competing application in Docket TG-091259, seeking authority to serve the same area in the Olympic National Park. No one presently has permanent authority to provide solid waste transportation service in this part of the Park. The Commission consolidated these matters for hearing and determination considering the presence of common issues of fact and law.

The Commission convened a prehearing conference at Olympia, Washington on October 12, 2009, and set a procedural schedule. The schedule provides that the parties will file any documentary evidence concerning need for the service on January 26, 2010, and sets February 2, 2010 as the date for hearing. In Order 02—Prehearing Conference, the Commission said it would:

Give further notice of the date prior to the hearing by which the parties will be required to exchange all proposed documentary evidence on other relevant subjects, such as financial fitness and managerial fitness. Such documentary evidence will be simultaneously furnished to the bench for pre-marking prior to hearing. All other evidence will be taken via direct examination and cross-examination of witnesses at hearing.

The Commission gives notice that the parties are required to file all of their proposed documentary evidence concerning financial fitness, managerial fitness, and any topic other than need for the service, by 12:00 Noon on Friday, January 29, 2010.

Sincerely,

DENNIS J. MOSS
