Dear Sirs:

Enclosed please find proposed Tariff No. 16 submitted by Zippy Disposal Service, Inc., G-121., the purpose of which is to update Item 230 disposal fees in the Chelan County portion of our tariff due to an increase in disposal fees at the North Chelan County Transfer Station that take effect on July 1, 2012.

On May 18, 2012 a general rate case was filed for Zippy Disposal Service, Inc., TG-120733. However, staff will not be able to complete its full investigation of the filing before the Chelan County disposal increase goes into effect. Staff has recommended Tariff No. 16 be revised to address the Item 230 Pass Through Disposal Fees in the interim. The attached tariff pages reflect only the impact to rates as a result of the disposal increase.

The company requests that the commission place in effect the proposed rates in item 230 Disposal Fees, on July 3, 2012, on an interim basis subject to refund, as provided for in RCW 81.77.160.

Please do not redocket.

If you have any questions regarding this filing, please contact Glen Austin at (509)682-5464, our fax number is (509) 682-5379.

Respectfully,

Leo S. Miller, President  
Zippy Disposal Service, Inc.
