RE: *Washington Utilities and Transportation Commission v. Edward Martin d/b/a Martin Movers*  
Docket TV-151654

TO ALL PARTIES:

On October 19, 2015, the Washington Utilities and Transportation Commission (Commission) entered Order 02, Initial Order Classifying Respondent as Household Goods Carrier; Ordering Respondent to Cease & Desist; Imposing and Suspending Penalties on Condition of Future Compliance (Order 02). Order 02 ordered Edward Martin d/b/a Martin Movers (Martin Movers or Company) to cease and desist operating as a household goods carrier and imposed a fine of \$5,000 for violations of RCW 81.80.075. A \$4,500 portion of the penalty was suspended for two years conditioned on the Company refraining from operating as a household goods carrier without a permit and paying the \$500 portion of the penalty that was not suspended within 10 days of the effective date of the order. Order 02 further states that if the Company violates the terms of Order 02, the \$4,500 suspended portion of the penalty will become immediately due and payable. Following multiple failed service attempts, Order 02 was served on Martin Movers on or around April 13, 2016.

Commission records indicate that Martin Movers has not made a payment to the Commission in this docket. Accordingly, Martin Movers has not complied with the conditions under which the Commission suspended \$4,500 of the \$5,000 penalty assessment. The full penalty amount of \$5,000, therefore, is now due and payable.
