**RE: Notice of Intent to Send to Collections, Penalty Assessment No. TV-160202**

Dear Mr. Luna-Lopez:

As you are aware, on February 24, 2016, the Washington Utilities and Transportation Commission issued a Penalty Assessment for violations of WAC 480-15-570 (Driver Safety Requirements) in the amount of \$4,400. On April 26, 2016, Staff recommended a mitigation of that amount to \$2,000. On May 2, 2016, the Commission issued Order 01 Granting Mitigation to \$2,000, and ordering that a proposed payment plan be submitted, or that full payment be made no later than May 16, 2016. As of June 6, 2016, the \$2,000 payment remained outstanding. The Commission sent EDL Movers a Final Notice dated June 6, 2016, indicating that the balance of \$2,000 was due.

The Commission has not received the \$2,000 payment due and owing.

**This is to notify you that the Commission intends to forward your outstanding debt to a collection agency for collection.** You likely will incur additional expenses and fees, including costs of collection, attorney's fees, and interest. These expenses and fees will be added to your outstanding \$2,000 balance.

If you have any questions about this letter or about the company's obligations under Commission rules, you may contact Sondra Walsh at (360) 664-1286.

Very truly yours,

  
SALLY BROWN  
Senior Assistant Attorney General
