From: Sea View Water LLC

Subject: Sea View Water: LLC Petition for Deregulation

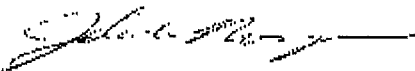

On October 11, 2018, the commission approved the sale and transfer of Sea View Water LLC to Cascadia Water LLC. This sale and transfer was documented under UW-180629. Since that time all operations and customer services have been provided by Cascadia Water LLC. Our former customers were notified of this transfer on September 4, 2018.

The Sea View Water LLC owners have recently reviewed our financials records and all operations have stopped. We have completed our annual report for 2018 and filed with the commission.

We believe it is now in our best interest to finalize the status of Sea View Water LLC to be deregulated based on WAC 480-110-255 (1) (a) & (b).

Please cancel our tariff and remove Sea View Water LLC from regulation.

Sincerely,

Owner/Manager
