**OPTIONAL NON-COMMUNICATING METER SERVICE (CONTINUED)**

**SECTION 2 - TERMS AND CONDITIONS:** (Continued)

- 6. Customer accounts with a non-communicating meter will be billed bi-monthly, based upon actual or estimated bi-monthly reads, along with other services provided by the Company at the service address, including natural gas services.
- 7. The Company is under no obligation to read the meter more frequently than once every two months.
- 8. The Company may refuse or revoke the installation of a non-communicating meter at the Customer's Premises for reasons including but not limited to the following conditions:
  - a. no meter reading for four consecutive calendar months when safe access is not available for the Company's personnel and standard equipment;
  - b. current or past incidents of Customer meter tampering;
  - c. current or past incidents of Customer impeding the Company's access to meter to obtain meter reads, perform maintenance or to disconnect meter for non-payment of Electric Service; or
  - d. incidents of service disconnection for non-payment (of Customer's electric and/or natural gas accounts for communicating and/or non-communicating meters) twice within the prior 12-month period.
- 9. The Company may temporarily (for a period of two weeks or less) replace a non-communicating meter with a communicating AMI meter for safety concerns or operational reasons (e.g. to restore an outage). In the event such temporary replacement is required, the Company will provide the Customer a notice at the time of the replacement.

**CERTIFICATION**

I represent and warrant that I am the named, authorized person on the provided customer account. I read and understand the terms and conditions and the extra charges outlined in Schedule 171 about this optional non-communicating meter ("NCM") service. By signing this form, I am requesting PSE to provide the non-communicating meter service for each of the service address(es) listed above and I agree that, for each of the meter(s), my account will be assessed an on-going Additional Bi-Monthly Service Charge of \$15 per meter every two months; and, if applicable, a One-Time Charge of \$90 per meter, and an Additional Disconnection/Reconnection NCM Charge per event, and any other future rates or charges allowed under this Schedule. I also understand and agree that, while taking service under this schedule, I will not be eligible for the following services: a) Schedule 131, Restoration Service Guarantee, except the 120-Hour restoration service guarantee; b) any demand response service; c) Schedule 150, Net Metering; and d) any other Schedule in this tariff, which itself states that a Customer is not eligible for that service if the Customer is also taking Schedule 171 service.
