Re: **Docket No. UW-190117: In the Matter of the Application for the Sale and Transfer of Assets from Estates Water Systems, Inc. to Cascadia Water, LLC.**

Dear Mr. Johnson,

On March 11, 2019, Cascadia Water, LLC (“Cascadia”) filed with the Washington Utilities and Transportation Commission (the “Commission”) revised tariff sheets (Revised Exhibit 4) to its Application for the Sale and Transfer of Assets from Estates Water Systems, Inc. (“Estates”) to Cascadia (“Application”). This errata filing provides a clean version of the tariff sheets that do not include exhibit headers and corrects the following errors:

- Original Sheet No. 82, Rule 7: Corrects “ProRata” to “Prorate”
- Original Sheet Nos. 84-95: Capitalizes “utility” to “Utility”
- Changes Issued Date from “February 20, 2019” to “March 14, 2019”

Please address correspondence on this matter to me with copies to the following:
