Dear Mr. Johnson,

On February 14, 2020, Puget Sound Energy filed preliminary confidential reports for the period ending December 31, 2019 in the above-referenced dockets. The reports contained each of the three monthly balances and the latest twelve months' ending balance for all accounts. The materials submitted also included an allocated rate base, average number of customers, and total unit sales per customer class. This letter documents that these reports are no longer considered confidential.

Thank you for your consideration of this matter. Please contact me at (425) 456-2105 should you have any questions.

Regards,
