WAC 480-123-060 AND WAC 480-123-070**

I, Andrea Genschaw, being of lawful age, duly state that I am Senior Vice President, Controller for Lumen Technologies, Inc. and an officer of CenturyLink Communications, LLC. d/b/a Lumen Technologies Group ("Company"), that I am authorized to execute this certification on behalf of the Company, and that the facts set forth in this certification and the accompanying reports are true to the best of my knowledge, information, and belief. On this basis, I hereby certify to the Washington Utilities and Transportation Commission ("Commission") for use by the Commission in providing the certification to the Federal Communications Commission and Universal Service Administrative Company required by 47 C.F.R. §54.314, as follows:

(1) That all federal high-cost support received by the Company within Washington was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended;

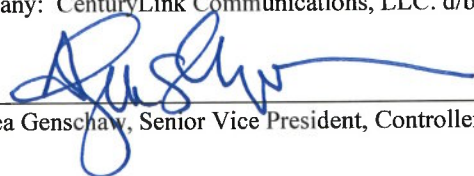

(2) That during the 2022 calendar year, the Company substantially met the applicable service quality standards and consumer protection rules found in WAC 480-123-030(1)(h);

(3) That during the 2022 calendar year, the Company had the ability to function in emergency situations by substantially adhering to the standards found in WAC 480-123-030(1)(g), as such standards relate to functionality of wire line carriers in emergency situations.

I certify under penalty of perjury under the laws of the State of Washington that the foregoing is true and correct.

Dated this 14 day of June, 2023 in Broomfield, Colorado.
