ORDER 01

GRANTING APPLICATION;
TRANSFERING CERTIFICATE
C001052

BACKGROUND

1 On March 10, 2025, Beeline Tours LTD d/b/a Seattle Express (Beeline Tours LTD), and Traxx America Inc d/b/a Seattle Express (Traxx America) filed a joint application in Docket TC-250153 with the Washington Utilities and Transportation Commission (Commission) for authority to transfer all rights under certificate of public convenience and necessity C001052 from Beeline Tours LTD to Traxx America:

PASSENGER SERVICE:

BETWEEN: Hotels in the City of Renton and the Pike Place Market in downtown Seattle.

BETWEEN: Hotels in the City of Sea-Tac, Southcenter Mall, Pike Place Market, and Cruise Terminals #66 and #91.

BETWEEN: Hotels in the City of Tukwila, Southcenter Mall, Pike Place Market, and Cruise Terminals #66 and #91.

PASSENGER SERVICE: from hotels in the cities of Tukwila or Sea-Tac to the Sea-Tac Airport with a required intermediate stop at Cruise Terminal #66 or #91 on a single-fare ticket.

SCHEDULED PASSENGER SERVICE BETWEEN: Seattle-Tacoma International Airport and the Seattle Cruise Piers.

2 Certificate C001052 is held by Beeline Tours LTD and authorizes passenger
transportation services as described in the certificate.

3 The application appeared on March 10, 2025, application docket. Interested parties were
notified of the application to give them an opportunity to express their views. The
application was not protested.

4 On March 20, 2025, Beeline Tours LTC informed customers of the Company's intention
to Traxx America. This notice was posted in the Company's vehicles, office, and website.

5 On April 10, 2025, Traxx America provided additional revenue forecasts and projections
that include Beeline Tours LTD's routes under certificate C001052. Staff reviewed the
additional financial documentation and found that if the ridership on the routes included
on certificate C001052 continues at current levels or increases, the Company will be
financially fit to provide the applied-for service for at least 12 months as required in WAC
480-30-096. If Traxx America fails to meet the ridership projections, Staff has serious
concerns about the Company being financially fit to provide the services under the
certificate.

DISCUSSION AND DECISION

6 The Commission, having considered the application and being fully advised, finds that
Traxx America is fit, willing and able to furnish the transfer of rights under certificate
C001052, and that the transfer of rights under that certificate to Traxx America will not
be detrimental to the public interest.

7 Furthermore, the Commission, having considered the application and being fully advised,
finds that Traxx America is fit, willing, and able to furnish the transferred service and
that the transferred service continues to be necessary and a convenience to the public.
