**NOTICE SUSPENDING PROCEDURAL SCHEDULE**

RE: *AT&T Communications of the Pacific Northwest, Inc., TCG Seattle, and TCG Oregon; and Time Warner Telecom of Washington, LLC, v. Qwest Corporation,*  
Docket No. UT-051682

TO THE PARTIES:

On September 20, 2007, the parties informed the undersigned presiding officer of their discussions concerning the need to resolve an impending motion from AT&T to amend its testimony in material ways. The parties anticipate two or more exchanges of pleadings will be required to put the matter before the Commission for determination. The parties have agreed informally to a schedule for this process that conflicts with the existing procedural schedule. They accordingly ask that the procedural schedule be suspended pending determination of the matter. Once the Commission resolves this dispute, the parties will propose by motion a schedule for going forward, or the Commission will convene a prehearing conference to set a schedule.

The parties demonstrate good cause for suspending the procedural schedule.

**THE COMMISSION GIVES NOTICE that the procedural schedule in this proceeding is suspended pending its determination of the matter described in the body of this Notice and further notice or order setting a new procedural schedule.**

Sincerely,

DENNIS J. MOSS  
Administrative Law Judge
