NOTICE REVISING PROCEDURAL SCHEDULE

Re: *Washington Utilities and Transportation Commission v. Pacific Power & Light Company*, Dockets UE-140762 and UE-140617 (Consolidated)

TO ALL PARTIES:

On June 10, 2014, the Washington Utilities and Transportation Commission (Commission) entered Order 04, Prehearing Conference Order; Notice of Hearing (Order 04) in the above-referenced dockets establishing an agreed procedural schedule.

In Order 04, Appendix A – Procedural Schedule, the Commission included a placeholder for a public comment hearing date that was to be determined. The Commission has established the dates of September 25, 2014, Yakima, Washington, and September 26, 2014, Walla Walla, Washington for public comment hearings. More specific details on the public comments hearings will be included in a subsequent notice.

Further, the Commission inadvertently included a deadline in the procedural schedule of August 28, 2014, for staff to circulate a settlement offer. Public Counsel discussed at the prehearing conference that this date might be inappropriate and suggested that it should be removed from the procedural schedule. The Commission agrees.

The Commission attaches an updated procedural schedule that includes the public comment hearing dates, and removes the deadline for Staff to circulate a settlement offer.
