RE: Northwest Natural Gas Company – Stipulated Condition 40
Docket UG-170094

Dear Amanda Maxwell:

On December 28, 2017, the Washington Utilities and Transportation Commission (Commission) entered Order 01, Order Approving Application Subject to Conditions in the above-referenced docket. Order 01, among other things, required HoldCo to notify the Commission within 90 days after it acquires or creates a new subsidiary.¹

On February 6, 2023, HoldCo formed a new subsidiary. On April 11, 2023, Northwest Natural Gas Company (NW Natural), on behalf of HoldCo, submitted a Statement of New Subsidiary.

Commission Staff reviewed the compliance filing provided by NW Natural dated April 11, 2023, and finds that it complies with the Commission's Order 01, entered December 28, 2017.

Sincerely,

Kristen Hillstead
Regulatory Analyst
