Re: WUTC v. Puget Sound Energy
Dockets UE-220066, UG-220067 and UG-210918 (*Consolidated*)

Dear Executive Director Maxwell:

Microsoft Corporation files this letter to state that it is not filing a Post-Hearing Brief in the above-referenced dockets. Microsoft supports the Settlement Stipulation and Agreement on Revenue Requirement and All Other Issues Except Tacoma LNG and PSE's Green Direct Program ("Settlement"), specifically Paragraph 45 of the Settlement which establishes Microsoft's cost responsibility for decommissioning and remediation costs associated with Puget Sound Energy's interest in the Colstrip Generating Station, as further detailed in the Response Testimony of Irene Plenefisch, Exh. IP-1T. Microsoft urges the Commission to adopt the Settlement as filed.

Sincerely,

/s/ Tyler C. Pepple
