Re: *Washington Utilities and Transportation Commission v. Waste Control, Inc.* - TG-140560 Narrative
Statement of Waste Control, Inc. In Support of Partial Settlement

Dear Mr. King:

Enclosed please find the *Narrative Statement of Waste Control, Inc. in Support of Partial Settlement*, being filed today in the above-noted docket by the Attorney General's Office along with other documents in support of the Partial Settlement Agreement. The original and two copies of the Narrative Statement will be mailed from this office today via First Class Mail. Please note however, that because today is an official United States Post Office holiday, hard copy delivery of this pleading is anticipated for Wednesday, October 15, 2014. In order to avoid any confusion or concerns on the proposed service, I am also emailing the Assistant Attorney General, Mr. Sells and the administrative law judge this despite the simultaneous scanned signature Narrative filing today by Mr. Shearer, to avoid any delays.

Thank you in advance for your attention to this matter and please do not hesitate to contact us with further questions or concerns.

Yours truly,

David W. Wiley
