**Re: Puget Sound Energy 2022 General Rate Case – Bench Request No. 002
Dockets UE-220066/UG-220067/UG-210918**

Dear Ms. Maxwell:

Enclosed for filing in the above dockets is Puget Sound Energy’s (“PSE”) Response to Bench Request No. 002, including the following documents:

1. PSE’s Response to Bench Request No. 002;
2. Updated revenue requirement workpapers that meet the requirements listed in Bench Request No. 002; and
3. Certificate of Service.

We note that the workpapers are provided in a self-contained folder which allows for interlinking between files. Removing any file from the folder could disrupt that linking. Some of the files have also been designated as Confidential under the Protective Order in this proceeding because they contain competitive information where the disclosure would harm PSE or third parties under WAC 480-07-160. Redacted versions of the Confidential files are being provided in a separate folder.

Please do not hesitate to contact me if you have any questions. Pursuant to Order No. 03 dated March 3, 2022, hard copies will not be provided.
