RE: 2016 Qualifying Storm Events

Dear Mr. King:

Pursuant to the paragraph 246 of Final Order No. 6, Docket Nos. UE-040641 and UG-040640 et al.¹ Puget Sound Energy ("PSE") hereby provides notification, for the purpose of the Catastrophic Storm Loss Deferral Mechanism, that two more qualifying storm events occurred in March 2016, which mark the second and third qualifying storm events for the month and for the year.

The wind storms on March 1st, March 10th, and March 13th have resulted in restoration costs to be accrued toward the \$8 million deferral treatment threshold for the 2016 storm damage accounting. PSE anticipates the restoration costs for these two storm events will qualify as outlined in the above referenced proceeding.
