RE: PacifiCorp Prudence Review
 Docket No. UE-991832

Dear Ms. Washburn:

This letter supplements the October 2 letter from Robert Cedarbaum regarding the status of the prudence examination and Joint Report required by the general rate case stipulation for Docket No. UE-991832. Mr. Cedarbaum informed me via e-mail regarding opportunity to participate in preparation of the Joint Report. Unfortunately, following significant time out of the office, I did not have an opportunity to respond regarding the intentions of the NW Energy Coalition prior to the October 2 letter. I am writing to inform you that we have been kept informed of the process and due to time constraints, the NW Energy Coalition will not be participating in preparation of the Joint Report.

Please contact me if you have any questions.

Sincerely,

Danielle Dixon
 Policy Associate
