**ERRATUM TO THIRTEENTH SUPPLEMENTAL ORDER
ERRATUM TO ORDER APPROVING PURCHASED GAS ADJUSTMENT**

IN DOCKET NOS. UE-011570/UG-011571 and DOCKET NO. UG-021059

RE: WUTC v. Puget Sound Energy
Docket Nos. UE-011570/UG-011571

In the Matter of Puget Sound Energy, Inc.'s Request to Implement Purchased Gas
Adjustment On Less Than Statutory Notice
Docket No. UG-021059

TO ALL PARTIES OF RECORD:

On August 28, 2002, the Commission entered its Thirteenth Supplemental Order: Rejecting
Tariff Filing; Approving and Adopting Settlement Stipulation; Authorizing and Requiring
Compliance Filing in Docket Nos. UE-011570/UG-011571, and Order Approving Purchased Gas
Adjustment on Less Than Statutory Notice in Docket No. UG-021059, ("Joint Order")¹.

On August 30, 2002, parties to these proceedings filed, pursuant to WAC 480-09-815(2), a
request to correct obvious ministerial errors that appeared in the Joint Order.

On September 5, 2002, the Commission issued an Errata Notice correcting the ministerial
errors in the above captioned orders.

The Errata Notice did not capture one of the errors associated with the reduction in purchased
gas cost. On page 10, ¶ 24 and Page 11, ¶ 30 of the Joint Order, the phrase " a commodity rate
reduction of \$0.28 per therm" **should be changed to "a gas cost reduction of approximately
\$0.055 per therm."** The parties should disregard the correction contained in item number five
of the September 5, 2002 Notice of Errata.

¹ The Commission did not consolidate these proceedings but rather deemed them so closely related that
Commission action in a single order was warranted.

After review of the proposed correction and the representations of the parties, this correction to the Joint Order is approved

Sincerely,

CAROLE J. WASHBURN
Secretary
