**Ref: Docket UT-071648**

Dear Mr. Danner:

Frontier Communications Northwest Inc. submits for filing Contract No. 1439 ICB, Amendment No. 3 to an existing customer specific contract that provides ISDN PRI and DID services for a term of twelve (12) months.

The customer is currently receiving this service under an agreement filed under Contract No. 1433 ICB on September 23, 2011 in Docket No. UT-071648. This service as configured is not available under tariff.

The company requests approval on less than required notice with an effective date of September 9, 2012. If this renewal is not approved effective prior to the expiration date of the current agreement, service will have to be disconnected which will have a negative impact on the customer. The LRN form is attached to this filing.

If you have any questions concerning this contract, please call me at 972-908-4415.

Sincerely,

A handwritten signature in black ink that reads "Kim Douglass". The signature is written in a cursive style with a long horizontal flourish at the end.
