Indicate below, or attach, an explanation of the reason the company requests permission to file and publish the proposed provisions with less than statutory notice. Present deferred recycle rates expire Sept 30, 2008. Blaine Bay was recently acquired by Sanitary Service Co., Inc., G-45, and it took longer than expected to find and compile the necessary documentation for the filing. We have also expanded service offerings for our new customers.

(This section to be completed if filing is made by other than owner, partner, or corporate officer of the company)
