Re: Docket TS-081877, Order 02

To Whom It May Concern:

We respectfully request an extension of time on the requirement for our company to file a full rate case no later than February 27, 2009, using calendar year 2008 as the twelve-month test period.

We are requesting an extension on this requirement to March 15, 2009. We do not have final costs on 2009 insurance, property taxes and other items that will affect the expenses of 2009. We are told we will have these costs by the third week of February. Our goal would still be to submit the filing by February 27th, if at all possible.

Thank you for your consideration.

Sincerely,

Jack Raines

Jack Raines, President
