**NOTICE SUSPENDING JUNE 23, 2010, HEARING  
(Settlement and Supporting Documents due by June 30, 2010)**

RE: *Washington Utilities and Transportation Commission v. Gerald Jahn d/b/a  
Spokane Movers Docket TV-100322*

TO ALL PARTIES OF RECORD:

On June 16, 2010, the Washington Utilities and Transportation Commission (Commission) received notice from the Commission Staff (Staff), on behalf of all parties, that the parties have reached a full settlement, in principle, of all issues in this matter. Staff asserted that the parties would need additional time to reduce the details of their agreement to writing and that the Settlement, along with any supporting documentation, should be filed in the near future. The parties requested that the hearing in this matter be suspended pending filing the settlement and supporting documentation.

The request to suspend the procedural schedule is reasonable and should be granted. However, the parties do not specify a date certain to file the settlement and supporting documentation. The Commission finds that a date certain should be established for filing the parties' proposed resolution of the issues in this case. Accordingly, the Commission establishes **June 30, 2010**, as the deadline for filing the settlement and supporting documentation in accordance with WAC 480-07-740.

**NOTICE IS HEREBY GIVEN That,**

- (1) The request to suspend the hearing scheduled to convene on June 23, 2010, is granted.**
- (2) The deadline for filing a settlement and supporting documentation in accordance with WAC 480-07-740 is June 30, 2010.**

Sincerely,
