*RE: In the Matter of the Petition of Boomerang Wireless, LLC Seeking Designation as an Eligible Telecommunications Carrier in the State of Washington pursuant to 47 U.S.C. § 214(e)(2) on a Wireless Basis,  
Docket UT-121610*

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered its Order 01, Order Granting Boomerang Wireless, LLC d/b/a enTouch Wireless (Boomerang or the Company) Designation as an Eligible Telecommunications Carrier in Docket UT-121610 on December 12, 2013.

The Order requires the Company to meet 18 conditions to be classified as an Eligible Telecommunications Carrier, and directs the Company to submit compliance filings with regard to several of the conditions. Among others, Condition #1 requires the Company to submit data for Commission approval before it can begin offering service in the state of Washington. Condition #9 requires the Company to work with the Department of Social and Health Services (DSHS) to establish a procedure to verify the Company's Lifeline customers' eligibility.

On December 19, 2013, Boomerang submitted a compliance filing pursuant to Washington State Condition #1 of Commission Order 01 (Appendix A) in this docket, for approval by the Commission. The Company's compliance filing contains a copy of Boomerang's Lifeline rate plans, terms and conditions, proposed language to be used in marketing and advertising material, and its Lifeline Customer Enrollment Form. After Commission Staff reviewed the compliance filing and discussed it with the Company's representative, Boomerang submitted revisions to the compliance filing on January 14, 2014. Staff finds that the Company's final revised compliance filing is satisfactory and meets the requirements of Condition #1 set forth in the Commission's Order 01.

Boomerang also informed Commission Staff that it has contacted the Department of Social and Health Services (DSHS) to obtain access to the DSHS database to verify its Lifeline customers' eligibility. This complies with Condition #9 of Commission Order 01.

On January 15, 2014, Commission Staff submitted a letter recommending that the Commission approve the compliance filing.

The Commission has examined Boomerang's compliance filing and subsequent revisions and finds that the Company's compliance filing meets Condition #1 and Condition #9 of Commission Order 01. The Commission approves Boomerang's revised compliance filing.

Sincerely,
