Re: Peninsula Sanitation Service, Inc.  
General Rate Case - TG-200987  
Effective Date Extension from March 1, 2021 to April 1, 2021.

In order to afford staff and the Company more time to discuss and resolve pending adjustments, the Company is agreeable to extending the period for resolving its general rate case filing under this docket to the Open Meeting in March, which would make the proposed rates effective April 1, 2021, rather than March 1, 2021
