**RE: UE-_____—2021 Power Cost Adjustment Mechanism
 Direct Testimony and Exhibits, Petition to Extend the Amortization of the PCAM
 Surcharge and Establish a New Schedule 99 PTC Tracker Adjustment, and Motion
 for Standard Protective Order**

PacifiCorp dba Pacific Power & Light Company (PacifiCorp) submits its 2021 Power Cost Adjustment Mechanism (PCAM) filing. Included in this filing is the direct testimony and exhibit of Jack Painter, supporting workpapers, and a petition to alter the amortization of the PCAM surcharge from one year to two years to mitigate the rate impact to customers.

Confidential workpapers are provided to the Commission in accordance with WAC 480-07-160. The confidential workpapers include valuable commercial information, specifically confidential cost and financial information associated with loads and pricing. Disclosure of such information would harm PacifiCorp by an unfair competitive disadvantage. Accordingly, PacifiCorp also includes in this filing a motion requesting that the Commission issue a protective order to govern disclosure of confidential information for use in this case.
