TO ALL PARTIES OF RECORD:

Re: Burlington Northern Railroad Company  
v. Ferndale, Washington  
Docket No. TR-930330

On February 27, 1995, the staff of the Washington Utilities and Transportation Commission moved to reopen the above referenced proceeding to allow the Commission to comply with the requirements of Chapter 43.21 RCW. On March 20, 1995 the Washington State Department of Transportation answered, opposing the petition, alleging that the requirements of Chapter 43.21 have already been met.

The Commission would like to receive replies to the answer, in accordance with WAC 480-09-420(9)(b). The replies should be filed by March 28, 1995.

Sincerely,

A handwritten signature in cursive script, appearing to read "Steve McLellan".
