Dear Mr. McLellan:

Washington Natural Gas Company has today submitted proposed tariff sheets under Advice No. 684-F510 in compliance with Commission Orders in Docket No. UG-920840. The tariff sheets reflect a rate redesign and reallocation of revenues among all customers resulting from a cost analysis of providing transportation service.

In accordance with WAC 480-09-330, Washington Natural files with this letter twenty copies of direct testimony and exhibits in support of its request. The exhibits include the cost of service studies supporting the Company's rate redesign.

Very truly yours,

Ronald J. Amen
Director, Rates and Special Studies
