BACKGROUND

- 1 This matter comes before the Washington Utilities and Transportation Commission (Commission) for approval of a negotiated seventh amended agreement (Amended Agreement) under the Telecommunications Act of 1996 (Telecom Act). The Amended Agreement is between MCI Worldcom Communications, Inc., (MCI), f/k/a MFS Intelenet, Inc., and Qwest Corporation (Qwest), f/k/a U S WEST Communications, Inc. The Commission approved an interconnection agreement between the parties on January 8, 1997, a first amended agreement on July 28, 1997, a second amended agreement on March 10, 2000, a third amended agreement on March 28, 2001, a fourth amended agreement on November 28, 2001, a fifth amended agreement on July 10, 2002, and a sixth amended agreement on October 9, 2002. The Commission ordered that in the event the parties amended their agreement, the amended agreement would be deemed a new agreement under the Telecom Act and must be submitted to the Commission for approval. The parties filed a joint request for approval of a seventh amendment on October 17, 2002.
- 2 On September 24, 2001, the parties entered into an Asset Purchase Agreement. MCI agreed to purchase certain Rhythms Links, Inc., (Rhythms) interconnection agreements and related agreements for the state of Washington. On October 11, 2001, the United States Bankruptcy Court Southern District of New York entered an order approving MCI's assumption of Rhythms' interconnection agreement and purchase of assets.

MEMORANDUM

3 The Amended Agreement between MCI and Qwest was brought before the Commission
at its regularly scheduled open meeting held on November 15, 2002, at its offices in
Olympia, Washington. The Commission granted its approval of the Amended
Agreement as negotiated and requested by the parties.

FINDINGS OF FACT

4 The Commission is an agency of the State of Washington vested by statute with the
authority to regulate the rates, rules, regulations, practices, accounts, securities, and
transfer of public service companies, including telecommunications companies.

5 Section 252(e)(1) of the Telecom Act requires parties to a negotiated agreement to submit
the agreement to the Commission for approval. Section 252(e)(2)(A) states that the
Commission may only reject an agreement (or any portion thereof) adopted by
negotiation if it finds that:

6 (i) the agreement (or any portion thereof) discriminates against a
telecommunications carrier not a party to the agreement; or

7 (ii) the implementation of such agreement or portion is not consistent with the public
interest, convenience, and necessity.

8 Qwest is engaged in the business of furnishing telecommunications services, including,
but not limited to, basic local exchange service within the state of Washington.

9 MCI is authorized to provide telecommunications services to the public in the state of
Washington.

10 The Commission approved an interconnection agreement between the parties on January
8, 1997, a first amended agreement on July 28, 1997, a second amended agreement on
March 10, 2000, a third amended agreement on March 28, 2001, a fourth amended
agreement on November 28, 2001, a fifth amended agreement on July 10, 2002, and a
sixth amended agreement on October 9, 2002. The Commission ordered that in the event
the parties amended their agreement, the amended agreement would be deemed a new
agreement under the Telecom Act and must be submitted to the Commission for
approval.

11 On October 17, 2002, the parties filed with the Commission a joint request for approval
of a seventh amendment to the previously approved interconnection agreement, pursuant
to the Telecom Act.

12 MCI and Qwest voluntarily negotiated the entire amendment.

13 The Amended Agreement does not discriminate against any other telecommunications
carrier.

- 14 The Amended Agreement will facilitate local exchange competition in the state of Washington by enabling MCI to expand its presence in the local exchange market and increase customer choices for local exchange services.

CONCLUSIONS OF LAW

- 15 The Commission has jurisdiction over the subject matter and all parties to this proceeding.
- 16 The Amended Agreement is consistent with the public interest, convenience, and necessity.
- 17 The Amended Agreement meets the requirements of Sections 251 and 252 of the Telecom Act, including Section 252(e).
- 18 The laws and regulations of the State of Washington and Commission orders govern the construction and interpretation of the Amended Agreement. The Amended Agreement is subject to the jurisdiction of the Commission and the courts of Washington state.

ORDER

THE COMMISSION ORDERS:

- 19 The Amended Agreement between MCI Worldcom Communications, Inc., f/k/a MFS Intelenet, Inc., and Qwest Corporation, f/k/a US WEST Communications, Inc., which the parties filed on October 17, 2002, is approved and effective as of the date of this order.
- 20 In the event that the parties revise, modify, or amend the agreement approved in this order, the revised, modified, or amended agreement will be deemed to be a new negotiated agreement under the Telecom Act and must be submitted to the Commission for approval, pursuant to 47 U.S.C. § 252(e)(1) and relevant provisions of state law, prior to taking effect.
- 21 The laws and regulations of the State of Washington and Commission orders govern the construction and interpretation of the Amended Agreement. The Amended Agreement is subject to the jurisdiction of the Commission and the courts of Washington state.

DATED at Olympia, Washington, and effective this 15th day of November, 2002.
