To the UTC commission

From John ODay, a homeowner in east Renton highlands at
20504 se 152nd st Renton WA 98059
and a user of PSE's natural gas

I'm writing to express my opposition to PSE's proposed natural gas rate increase.

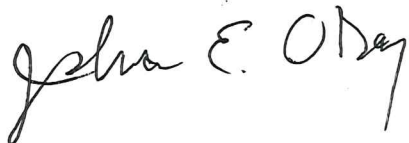

I'm a retired home owner on a fixed income, and I'm opposed to the outrageous rate increase.
This rate increase comes at a time when everything is costing more and **I oppose the rate increase.**
Please really consider the impact of this rate increase on homeowners like me.

I urge you to reject PSE's rate increase.

Thank you.
