**Re: WUTC v. Verizon Northwest Inc.
Docket No. UT-040788**

Dear Ms. Washburn:

Enclosed please find fifteen (15) copies of what has now been marked as Exhibit 162 in the Interim Rate Case proceeding in the above docket. Pursuant to the request of ALJ Wallis, we are submitting the following:

- Fifteen (15) copies of this confidential exhibit on yellow paper with the confidential portions highlighted, in a sealed envelope;
- Fifteen copies of a redacted version of the above confidential document.

Verizon claims this information to be confidential and valuable commercial information in that it depicts market share information for the Washington intralata toll market for 2000 to 2001. Generally, market share information is deemed confidential pursuant to WAC 480-07-160(c). In addition to Verizon Northwest Inc., all of its competitors for intralata toll services might be directly affected by disclosure of the confidential information. Such competitors include but are not limited to AT&T Communications of the Northwest, Inc. and MCI/Worldcom. We would appreciate if you would substitute this filing for that made on August 4, 2004. Thank you.
