WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION, Complainant,	DOCKET NO. UT-950200 FEB 2 0 1996 ATTY GEN DIV WUTC
v.) U S WEST COMMUNICATIONS, INC.,)	THIRTEENTH SUPPLEMENTAL ORDER DENYING EMERGENCY MOTION
Respondent.)	

On February 16, 1996, via facsimile filing, U S WEST Communications, Inc., filed with the Commission an emergency motion to amend the Eleventh Supplemental Order in this proceeding. Specifically, the Company petitioned the Commission to vacate the portions of that Order excluding depreciation issues from consideration in this proceeding and to reopen the record for the limited purpose of taking into evidence the Company's offer of proof on depreciation issues.

The Commission shortened the time for filing responses to the motion, requiring parties to submit their positions by 1:00 p.m., February 20, 1996. The Commission received responses to the Company's motion from Commission Staff, Public Counsel, AT&T, Northwest Payphone Association, and TRACER.

The Commission has reviewed all pleadings on this issue and believes that orderly progress of this matter to final determination under the current schedule is appropriate and in the public interest. The Commission therefore will deny the Company's motion.

ORDER
