Re: *Washington Utils. and Transp. Comm'n v. Puget Sound Energy*
Dockets UE-220066, UG-220067, UG-210918 (*consolidated*)

Dear Ms. Maxwell:

On December 22, 2022, the Washington Utilities and Transportation Commission (Commission) entered Order 24/10 in Dockets UE-220066, UG-220067, and UE-210918 (consolidated), Final Order Rejecting Tariff Sheets; Approving Settlements, with Conditions; Authorizing and Requiring Compliance Filing. Order 24/10, among other things, rejected the initial tariff proposals by Puget Sound Energy (PSE or Company) and required PSE to make a compliance filing with an effective date that allows Staff five days to review, consistent with the Order.

On December 27, 2022, in compliance with Order 24/10, PSE filed revised tariff sheets for electric Tariff WN U-60 and natural gas Tariff WN U-2. On December 29, 2022, the Company supplemented the filing to make minor corrections. The revisions to Tariff WN U-60 reflect a base electric revenue increase of \$389.5 million in 2023 and \$33.3 million in 2024 which represents increase of 16.95 percent and 1.26 percent respectively. The revisions to Tariff WN U-2 reflect a \$70.8 million increase in natural gas base revenue in 2023 and a \$19.5 million increase in 2024 which represents increases of 6.4 percent and 1.65 percent respectively.

Commission staff has reviewed the Company's compliance filing. Staff believes that the revised tariff revisions comply with Order 24/10, entered December 22, 2022. The tariff sheets that the company filed will become effective January 5, 2023.

ATTORNEY GENERAL OF WASHINGTON

Amanda Maxwell
