Docket UG-240005 (natural gas service)

To the UTC commission

From John ODay, a homeowner in east Renton highlands at

20504 se 152nd st Renton WA 98059

and a user of PSE's natural gas

I'm writing to express my opposition to PSE's proposed natural gas rate increase.

I'm a retired home owner on a fixed income, and I'm opposed to the outrageous rate increase.

This rate increase comes at a time when everything is costing more and **I oppose the rate increase.**

Please really consider the impact of this rate increase on homeowners like me.

I urge you to reject PSE's rate increase.

Thank you.
