RE: *WUTC v. NW Natural Gas Company – General Rate Case*
Docket UG-080546

TO ALL PARTIES:

The Washington Utilities and Transportation Commission (Commission) entered Order 04, *Final Order Approving and Adopting Settlement Stipulations; Authorizing and Requiring Compliance Filing*, in this docket on December 26, 2008. The Order, among other things, rejected a tariff proposal by NW Natural Gas Company, but authorized and required the company to file tariff sheets consistent with terms of the Order. The Order also authorized the Commission's Secretary to approve the filing by letter if the company complied with the terms of the Order.

On December 29, 2008, NW Natural filed tariff sheets as specified in the Order. A list of the tariff sheets is attached to this letter. The Commission has examined the filing and noted in a letter dated December 30, 2008, that the majority of the updated tariff sheets incorporated not only the terms of the Order, but also the effect of a purchased gas adjustment approved on November 1, 2008. Nevertheless, Commission Staff concluded that the filing appears to comply with the terms of the Order.

Therefore, pursuant to terms of the Commission's Order 04 in this proceeding, the tariff sheets indicated on the attachment to this letter will become effective as filed with an effective date of January 1, 2009.

Sincerely,

DAVID W. DANNER
Executive Director and Secretary
