3 The administrative rules at issue are WAC § 480-07-340, -355.

4 ICNU is an incorporated, non-profit association of large industrial electric customers in the Pacific Northwest. A list of ICNU members is included as Attachment A. ICNU represents some of Avista's largest customers.

5 ICNU's member companies that take service from Avista have a substantial interest in Avista's proposed electric rate increase. The proposed rate change would substantially and directly affect those ICNU members who purchase power from Avista. ICNU requests leave to intervene in this Docket to represent its members who are affected by Avista's proposed rate increase.

6 ICNU has extensive experience in proceedings before the Commission involving Avista. ICNU participated in Avista's most recent rate cases and ERM cases, including UE-991606, UE-011029, UE-011595, UE-030751, UE-050482, UE-060181, UE-061411, UE-070804, UE-070623, UE-080416, UE-110876 and most recently in UE-120436. ICNU's intervention in this proceeding will assist the Commission in resolving the issues and will not unreasonably broaden the issues, burden the record, or delay this proceeding.

7 As described above, ICNU has a direct and substantial interest in this proceeding that will not be adequately represented by any other party, and may be affected by any Commission determination made in connection with this proceeding. Thus, it is in the public interest to allow ICNU to intervene in this proceeding.

WHEREFORE, ICNU respectfully petitions the Commission for leave to intervene in this proceeding.

Dated this 11th day of February, 2014.

Respectfully submitted,

DAVISON VAN CLEVE, P.C.
