**Subject:** Public Comment to Oppose EU-24004 & UG-240005

[EXTERNAL]

Good morning,

I am writing to **oppose** the proposed rate changes for electricity (EU-24004) and gas (UG-240005) by Puget Sound Energy. The costs of living are already out of control, and this increase would make things even worse. Basic utilities are a necessity and need to remain affordable for families. Please do not allow these increases.
