**BACKGROUND**

1 This matter comes before the Washington Utilities and Transportation Commission (Commission) for approval of a negotiated fourth amended agreement (Amended Agreement) under the Telecommunications Act of 1996 (Telecom Act). The Amended Agreement is between Hood Canal Telephone Company, Inc., d/b/a Hood Canal Communications (Hood Canal) and Qwest Corporation f/k/a U S WEST Communications, Inc., (Qwest). The Commission approved an interconnection agreement between the parties on May 10, 2000, a first amended agreement on February 23, 2001, a second amended agreement on February 27, 2002, and a third amended agreement on May 8, 2002. The Commission ordered that in the event the parties amended their agreement, the amended agreement would be deemed a new agreement under the Telecom Act and must be submitted to the Commission for approval. The parties filed a joint request for approval of a fourth amendment on June 4, 2003.

### FINDINGS AND CONCLUSIONS

- 2 (1) The Commission is an agency of the State of Washington vested by statute  
with the authority to regulate public service companies, including  
telecommunications companies. *RCW 80.01.040; Chapter 80.04 RCW and  
Chapter 80.36 RCW.*
- 3 (2) Section 252(e)(1) of the Telecom Act requires parties to a negotiated  
agreement to submit the agreement to the Commission for approval.  
Section 252(e)(2)(A) states that the Commission may only reject an  
agreement (or any portion thereof) adopted by negotiation if it finds that:
- 4 (i) the agreement (or any portion thereof) discriminates against a  
telecommunications carrier not a party to the agreement; or
- 5 (ii) the implementation of such agreement or portion is not consistent  
with the public interest, convenience, and necessity.
- 6 (3) Qwest is engaged in the business of furnishing telecommunications  
services including, but not limited to, basic local exchange service within  
the state of Washington.
- 7 (4) Hood Canal is authorized to provide telecommunications services to the  
public in the state of Washington.
- 8 (5) The Commission approved an interconnection agreement between the  
parties on May 10, 2000, a first amended agreement on February 23, 2001,  
a second amended agreement on February 27, 2002, and a third amended  
agreement on May 8, 2002. The Commission ordered that in the event the  
parties amended their agreement, the amended agreement would be

deemed a new agreement under the Telecom Act and must be submitted to the Commission for approval.

- 9 (6) On June 4, 2003, the parties filed with the Commission a joint request for approval of a fourth amendment to the previously approved interconnection agreement, pursuant to the Telecom Act.
- 10 (7) The Amended Agreement between Hood Canal and Qwest was brought before the Commission at its regularly scheduled meeting on June 27, 2003.
- 11 (8) Hood Canal and Qwest voluntarily negotiated the entire amendment.
- 12 (9) The Amended Agreement does not discriminate against any other telecommunications carrier.
- 13 (10) The Amended Agreement will facilitate local exchange competition in the state of Washington.
- 14 (11) The Amended Agreement is consistent with the public interest, convenience, and necessity.
- 15 (12) The Amended Agreement meets the requirements of Sections 251 and 252 of the Telecom Act, including Section 252(e).
- 16 (13) The laws and regulations of the State of Washington and Commission Orders govern the construction and interpretation of the Amended Agreement. The Amended Agreement is subject to the jurisdiction of the Commission.

- 17 (14) After examination of the proposed Amended Agreement filed by Hood Canal and Qwest on June 4, 2003, and giving consideration to all relevant matters, the Commission finds the proposed Amended Agreement should be approved.
