Re: Docket Nos: UT-033020  
Six-Month Review of QPAP

Dear Judge Rendahl:

AT&T would request that you reschedule the prehearing conference currently scheduled for October 1, 2003 to October 2, 2003. I am AT&T's counsel who handles QPAP issues. I currently have a previously scheduled prehearing conference to attend in Oregon on October 1, 2003 (notice attached) and would be unable to attend the Washington rescheduled October 1, 2003 prehearing conference. Because I am in the vicinity, I would easily be able to attend the October 2, 2003 prehearing conference in person. Thank you for your consideration of this request.

Sincerely,

Steven H. Weigler
