Re: Docket No. UW-041384 - Case Schedule

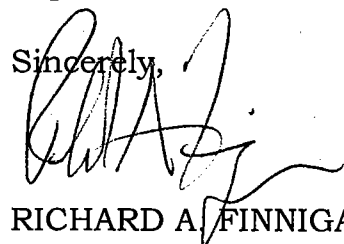

Dear Ms. Washburn:

The case schedule calls for Rainier View to file opening testimony on February 8, 2005. However, Commission Staff and Rainier View have reached a settlement in principle. The details of the settlement need to be reduced to writing.

Therefore, it makes no sense for Rainier View to go to the expense of filing testimony. Having discussed this matter with Commission Staff, Rainier View respectfully requests that the schedule be held in abeyance while the parties reduce the settlement to writing. Commission Staff has no objection to the revision to the case schedule.

Thank you for your attention to this request.

Sincerely,

RICHARD A. FINNIGAN
