Subject: Information and Document Request Re: Docket TC-101661

Dear Mr. Danner:

We would like to know who is attending the scheduled workshop on Dec 7th. We specifically are urging you to insure that all commissioners attend and all staff is present that have been involved in the surcharge process since 2004 so we may have a full and meaningful discuss of ideas. In addition, we are requesting that staff provide their comments and documents that they intend to present at the meeting by the same Nov 5th date that they requested information from us.

Thank you very much.

Sincerely,

Michael Lauver
