Re: Docket TG-121791 Revised Tariff Pages, Tariff Number 13, Mason County Garbage Co., Inc.  
G-88. Please Do Not Re-Docket.

Dear Mr. Danner:

Please find the enclosed revised tariff pages 16, 21, 22, 28, 32, 35, and 36 for filing this day with the Commission. These revised pages reflect disposal fee increases set to be acted upon by the Commission on December 27, 2012. Tariff page 34, Item 230 has not been revised but reflects the actual disposal fee increase set for action by the Commission. We are not now changing the remainder of the proposed tariff page filings under the above docket number, but note that the general rate case audit under the docket item is being continued into January 2013. Thus, the previously filed tariff pages that will be affected by the general rate case action will not be revised until and unless the Commission acts on the general rate portion of this filing.
