Scams, scams & more scams. Read BEO's February statement stuffer on Signs of Fraud. On the reverse side read the list of the most popular scams (although at BEO, they're not popular at all). Needless to say, at Bank of EO, we do our very best to protect our customers from the dastardly deeds of scamsters. Scamsters. Rhymes with hamsters. Although some of us at BEO like hamsters, none of us here like scamsters. Stay aware & stay alert!
