RE: *Washington Utilities and Transportation Commission v. Big Woody Limos, LLC*
Docket TE-170027

TO ALL PARTIES:

On February 8, 2017, the Washington Utilities and Transportation Commission (Commission) assessed a \$1,500 penalty against Big Woody Limos, LLC (Big Woody Limos or Company) in the above-referenced docket for ten critical violations of WAC 480-30-221 Vehicle and Driver Safety Requirements.

On March 14, Big Woody Limos responded to the Penalty Assessment admitting the violations and requesting mitigation of the penalty.

On March 27, 2017, the Commission issued Order 01 Denying Mitigation. On April 25, 2017, the Commission issued Order 02 Granting Payment Arrangement (Order 02), which required Big Woody Limos to pay monthly installments of \$150 beginning May 5, 2017, and continuing until the full \$1,500 penalty was paid on or before February 5, 2018. Order 02 ordered that if Big Woody Limos failed to pay any installment by the due date, the entire remaining balance would become immediately due and payable without further order.

On October 12, 2017, Commission staff (Staff) alerted the Executive Director and Secretary of the Commission that on July 12, 2017, the Company had voluntarily cancelled its charter and excursion carrier certificate, and had ceased to pay monthly installments as of August 7. Staff recommends that the Commission immediately impose the \$1,050 unpaid balance of the penalty in accordance with the terms of Order 02.

The Commission has reviewed the record in this docket and accepts Staff's recommendation. The full \$1,050 penalty is now due and payable.
