Dear Executive Secretary,

This filing is submitted by Zippy Disposal Service, Inc., G-121.

The purpose of this filing is to comply with Docket TG-180267 Order 03 that required the Company to report on the operations of our commingled recycling program.

The Company had previously been granted an extension of time until November 15, 2020 to file tariff revisions regarding recycling rates. The extension was needed to give the Company time to experience true costs of the program since the first year of operation did not include all costs or facilities and equipment required.

Normally the Company would have no problem complying with this timeline, however 2020 has presented us with some unusual challenges. Due to Covid-19, we are operating with reduced office staff and just making operations work in this environment is taking much more time and effort.

Due to the above circumstances, the Company is requesting to continue the current service rate for commingled recycling service in Chelan County until April 1, 2021, at which time the Company will have filed for rates.

If you have any questions regarding this filing, please contact me at (509) 682-5464; our fax number is (509) 682-5379; and our email address is zippydisposal@hotmail.com.

Respectfully,

Glen A. Austin, Controller
